

# Park Conditions Report

## NANCY LAKE AND WILLOW CREEK

### STATE RECREATION AREAS

Updated: June 22th  
2015

**Overall Conditions:** South Rolly, Nancy Lake, and Willow Creek campgrounds are now **REOPENED** after the Sockeye Fire danger has been mitigated. Nancy Lake boat launch is now **REOPENED**.

**\*\*ADVISORY:** Visitors to Willow Creek campground and day use areas including rafters along the creek should use elevated caution as many of the trees and underbrush throughout the park have been burned. The fire damage may cause some trees to become unstable and fall without warning. Hot spots and smoldering areas may also be encountered within the park. Stay out of any areas that are scorched and blackened. Yield to fire response vehicles and other emergency vehicles as they continue to complete their work. Thank you to all the firefighters and first responders that helped battle the Sockeye Fire!\*\*

**Advisory:** Butterfly Lake Trail is closed to wheeled traffic.

Please practice LEAVE NO TRACE etiquette. **PACK OUT WHAT YOU PACK IN!**

Report any problems, complaints or updates to the Park Ranger @ 495-6210 or 745-8950.
